

## REACH – Declaration

Concerning article 33 of REACH we will inform you of the following:

IXXAT Automation GmbH as manufacturer of electronic products, thus – in the sense of REACH – is a so-called „downstream user“. The products we supply to you are solely non-chemical products (goods). Moreover and under normal and reasonably foreseeable circumstances of applications, the products supplied to you shall not release any substances. For that, IXXAT Automation GmbH are neither obligatory for registration nor for the creation of material safety data sheet.

The current Candidate List according to article 59 of regulation EC 1907/2006, release 16. December 2013, is published on the webpage of the European Agency for Chemicals 'ECHA'

[http://echa.europa.eu/chem\\_data/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/candidate_list_table_en.asp)

The products of IXXAT Automation GmbH as well as packing contains no substances corresponding to Candidate List (as from a content >0.1%).

Independent of that fact, we are intensively pursuing the realisation of REACH on the part of our supplier. We do that in our own interest and in order to guarantee a high level of product safety for our customers.
